This is a “Blue Ribbon Quality” Sale

Since 1870 Pike County Breeders have been establishing a *reputation* as producers of fine quality Shorthorns. Several generations of men have contributed a wealth of time and money to promote and achieve the more economical production of beef. That has been their goal of progress and Pike County Shorthorns, known the country over, owe their superior qualities to this intensive program.

This annual fall auction is their *show window*, just pride is apparent in the quality of their consignments and it's the “Pick of the Tops” that each breeder brings from his herd to this time-honored event.

No wonder then it's “Blue Ribbon Quality” that shows and sells at Bowling Green on October 29, for it's Pike County Shorthorns themselves, the records they have made, that stand on their own merits. All those who have seen this year's offering say it's the best yet, absolutely tops.

PIKE COUNTY SHORTHORNS

On the following pages you will find listed

33 PIKE COUNTY FEMALES

A grand lot including cows with calves at foot,
bred cows and heifers and a splendid
group of open heifers.

There are many outstanding examples of what Pike County Shorthorns have done . . . outstanding and impressive, others perhaps not so much so, but every one indicating the keen source of satisfaction and profit they have been to the breeders who own them.

We have tried to describe these cattle and their backgrounds in this cattle-log but naturally it cannot take the place of the cattle themselves and so we do hope you will come to PIKE COUNTY where you will always be welcome to see our herds and share our enthusiasm for them.

The hospitality of PIKE COUNTY awaits you and if your plans do not permit you to come sooner, do by all means, plan to be with us on

BO WOOD FARM

One of the newer herds in the Pike County area and located two miles Southwest of Clarksville is that of Bo Wood Farm owned by Chas. E. Bascom, St. Louis, Missouri, manufacturer. The herd is handled on the farm by Clarence and Eugene Brown under whose direction, care and development the get of the present herd sire, Command's Masterpiece, has placed it in a degree of prominence not often acquired in such a short while. Their winnings at both the International Congress shows and sales and Missouri state shows and sales have been so consistent that Command's Masterpiece must be regarded as one of the strongest sires in the Middle West. It is the get of this great bull that Bo Wood Farm is featuring in this sale as Lots 36, 38 and 41.

MARMAC GALLANT ROBIN, second top bull in the 1944 Mackey Sale and grand champion bull at the 1945 Mexico, Missouri State Fair. He was used successfully in the Fairmead Farm Herd for two years and is sire of Lots 21 and 30.

FAIRMEAD FAVORITE by Imp. Lawton Favorite

Introducing Fairmead Favorite, our herd sire. One of the best sons of Imp. Lawton Favorite, out of a dam by Baron Prentice. He follows in the footsteps of the other great bulls that have headed this herd. He is the sire of Lots 10 and 43 and his service sell in Lots 16, 17 and 21.

FAIRMEAD FARM

— *Prescott, Bradbury and Walker* —

BOWLING GREEN (Pike County) MISSOURI

The Fairmead Farm herd was started by Mr. Chas. Prescott in 1913 and the Bradbury herd in 1918. Being on adjoining farms the same bulls were used, more or less, on both herds, and they were always the best available. After the death of Mr. Prescott the herds and farms were combined in a partnership known as Fairmead Farms. The herd has been closely culled, any cows not measuring up to our standard being marketed, and some of the best heifers being retained in the herd. Also, any bull calves that do not look like they would make the right kind of bulls are steered. The cattle we are offering in the sale are we think the right kind to go anywhere and give a good account of themselves. They are lot numbers 10, 16, 17, 21, 30, and 43.

CHAS. HARNESS & SON CONSIGNMENT

The Chas. Harness & Son herd at Corso, Missouri, was established 32 years ago and there is little doubt but that its present high state of efficiency and quality is a result of the following carefully selected and outstanding herd sires used. It is indeed an impressive lot starting back with the great Marshal Foch by Cumberland Marshal 4th, Collynie Royal Lancer by Collynie Clipper Crest, Browndale Waverly by Golden Browndale, Baron Prentice by Prentice, Divide Quickstep by Divide Achievement, and ending up with the present herd sire, Helfred Nimrod, by Fascinator. This solid red bull was the top bull in the 1941 International sale and his get have been particularly low set, compact and blocky. He sired the top heifer in the 1945 Otis Carter Sale and the top open heifer of the 1945 Missouri State Sale and two reserve champion bulls at Missouri State Shows and Sales. Both the Champion and Reserve Champion females of the 1946 Pike County Sale were his daughters. The eleven sons and daughters in this sale are real attractions.

WALRIDGE FARM DRAFT

The Walridge Farm herd was established in 1930 with purchases made in the Strowold Farm sale of that same year. Our present cow herd is composed of choice Scotch breeding of the Augusta Graceful, Secret, Rosewood, Orange Blossom and Gypsy Maid families and our present herd sire is Lustrous Robin, an excellent breeding son of Imp. Gargiston Cock Robin. We sell lots 2, 9, 14, 15, 31, 42.

We are really proud of our this year's offering. Our herd is not large but we will take pleasure in showing it to you—the gate is always open—so drive in at your next opportunity.

Cyrene, Missouri

IMP. GARGUSTON COCK ROBIN 2056995

While this bull is no longer in service, this year's Mackey offering still includes several of his sons and daughters. Two of his best breeding sons, MARMAC CAPTAIN ROBIN and MARMAC ROBIN CRUSAIDER are now being used in the herd. Two of his sons sell as Lots 3 and 13 in this sale. Good cattle judges have rated them as the two best sons of Garguston Cock Robin ever produced by Marion Mackey. There is plenty of argument as to which is the most outstanding and buyers can decide for themselves on sale day when they see this promising pair.

MARMAC SHORTHORN FARMS

Our first Shorthorn purchase was a club steer purchased from Charles Harness in 1926. He was Grand Champion over all breeds at the East St. Louis calf club show and sale that fall. From the profits of this steer, Royal Countess 5th, a R. C. Boeger bred cow, was purchased from Charles Prescott in the Pike County sale in 1927. This cow proved to be one of the greatest producers the herd has ever had. Profits from this great cow and her offsprings and by the use of such bulls as Maxwalton Mariner, Rodney Count, Browndale Superior, Browndale Sensation, Divide Last Goldspur, Raveni Lodestar and Garguston Cock Robin are responsible for the quality of the herd today. Continously since the herd was founded, high class females were purchased with the most recent purchase being the entire select herd of Ralph Johnson, Mountain Grove, Missouri.

We are especially proud of the seven lots we are selling in this sale. We are featuring the get of Garguston Cock Robin. From the buyer standpoint, the potential breeding value of each and every lot in this entire sale presents very special assurance of profitable results.

HILLVIEW FARM

The Elliott Farm, five miles west of Clarksville, was purchased by Dr. John P. Murphy in November, 1928. This farm had been owned by the Elliott family for over 125 years and had been used extensively as a livestock farm. Early in 1929 Dr. Murphy purchased four cows from Fairmead Farm and a like number from L. A. Strother & Son. These cows were of the Gypsy Maid, Violet Mist, Secret, Clara and Countess families. These cows were bred to bulls of L. A. Strother & Son, Sni-A-Bar and Leveldale breeding. In recent years Leveldale Prophet, Sni-A-Bar Baronet and Millhills Gift have been used. Today the Hillview herd numbers ninety head of predominately red Shorthorns headed by Marmac Modern Robin.

Ray Homeyer is on the farm and he will have Lots 7, 8, 37 and 39 on display at Bowling Green on the 29th.

PIKE COUNTY SHORTHORNS

MARMAC MODERN ROBIN was the top bull in the 1944 Mackey Sale. He is a "cattlemen's" bull. See his get in this sale, Lots 7, 8, 37, 39.

GIPSY MAIDEN 16TH 2335081

First prize senior heifer calf in the 1946 Pike County Sale, sired by Lawton Favorite. She was purchased by the well known firm of W. C. Anderson & Son, West Liberty, Iowa.

STROWOLD FARM

Strowold Farms started in the Shorthorn business in 1908 when we bought a few cows in the Prichett sale at Frankford, Missouri. Of course they were plain bred cattle or Scotch top and then we bought a few along until 1920 when we traded all of them to George Chapple & Son of Bowling Green for a bunch of straight Scotch cows and calves and have several of those in the herd now, or rather granddaughters of those cows. As to the bulls we have used, the first bull was a Cumberland bull, the next a grandson of Imp. Villager, a grandson of Imp. Cudham Dreadnaught, a son of Divide Sensation, a son of Dreadnaught Parade, a son of Leaders Diamond Mine, a son of Sheik of Leveldale and now Imp. Lawton Favorite. The third generation of men at Strowold is now carrying on in the Shorthorn business. We offer six lots in this catalog for your careful study and we leave it to you to pass judgment on their individual merit on sale day.
